We want all our pupils and staff to feel safe and happy at Longstone School. There are many people you can talk to when problems arise (See our 'Who Can I Talk To' poster) Don't stay silent! The staff above have particular skills in helping with difficult situations - they will be able to help and support you.

You can talk to us if:

- There is something causing you worry
- You have a concern about yourself, a friend or a family member
- You want to discuss sensitive matters
- You want to be listened to sympathetically
- You want advice
- You want help making decisions

*You can contact us on the school number 028 9048 0071
or leave a note in the Feeling Safe Box.*
